- c. [REDACTED] (Continued Item)

This Regulation is currently in the process of formal coordination.

25X1A

- d. [REDACTED]

In view of the priority placed upon these regulations, the DD/A and the DD/P agreed that informal collaboration should be dispensed with. These regulations were forwarded to the Regulations Control Staff for formal coordination on 28 October 1954.

- e. Requests for Vehicle Actions (New Item - Completed)

Three requests for covert vehicle actions were processed during this reporting period.

- f. Weight and Volume Allowances for Emergency Areas (New Item - Completed)

New weight and volume allowances of household goods and personal effects were recently established for employees transferred to and from permanent posts of duty abroad which are in emergency areas where furnished quarters are provided. In order to expedite implementation of this new policy pending publication of applicable regulations, a proposed Headquarters Notice [REDACTED] were drafted. These proposed issuances were forwarded to the Chief of Logistics, 23 November 1954, for approval and forwarding to Chief, Regulations Control Staff. Arrangements have been made with the Chief, Regulations Control Staff for publication of these issuances without coordination inasmuch as the new policy has previously been concurred in by the Deputy Director (Administration), Deputy Director (Plans)-(Administration), General Counsel, Comptroller and Chief, FE (DD/P).
